Enclosures

Dear sir/madam,

As you are probably aware, MC Slotervaart has been declared bankrupt and it has not been possible to restart. We regret to have to tell you that MC Slotervaart is closing. You are receiving this letter because:

- you have recently received treatment in MC Slotervaart or,
- your appointment has been cancelled or,
- you still have an appointment planned.

We are not able to continue your treatment. Your treatment can be continued at another hospital or care institution. If you have already been referred elsewhere, this referral is still in place. If you are still receiving treatment from other specialisms you will be informed about this in a following letter.

If you are still a patient at MC Slotervaart

The following applies to you if you are still receiving treatment here: on 21 November 2018 it was announced for each specialism where the care could be taken over. We are currently looking into what this means for your specific situation. You will receive a letter about this by 31 December 2018 at the latest.

What you need to do

At the moment you **do not need** to take any action. If you experience any medical complaints, please contact your GP or the out-of-hours GP service. If you have acute, life-threatening symptoms, you should call 112.

Your medical file

In accordance with the law, your details will be kept for at least 15 years. An information desk will be set up where you can request a copy of your medical file at any time. If you personally request a copy of your medical file at the present time, the waiting time may be longer than one month.

We can imagine that you may have questions about your care in the current situation. We will try to keep you informed as much as possible via the website. If you still have any questions, please call +31 20 5124600 (available on working days from 08:00 to 16:30).
